Kanchanaburi → Wat Tham Suea & Wat Tham Khao Noi

Road tour via Tha Muang and Mae Klong Dam • numbered roads • junction details • temple approaches

GoTourThailand.com

VIA THA MUANG & THE DAM

About 20 km from Kanchanaburi railway station. Allow roughly 35–45 minutes by car, excluding stops.

1–2 Saeng Chuto Road • 323

Drive southeast from the city towards Tha Muang. At Tha Muang junction, bear right onto Old Saeng Chuto Road, mapped as Highway 3548.

3 Old Saeng Chuto Road • 3548

Continue about 1 km to the clock tower beside Tha Muang Hospital. Take the right-hand exit towards Mae Klong Dam.

4 Dam access road

Follow the canal-side road south, continuing over the dam crossings to the T-junction beyond. About 3 km from the clock tower.

5–6 Right, then left towards Muang Chum

At the T-junction turn right (northwest). Continue about 1.4 km, then turn left onto the local road towards Wat Muang Chum.

7–8 Temple approaches

Follow the local road past Wat Muang Chum and the temple signs. See B for the final turns. The temples are adjacent and have separate entrances.

Highlighted driving route

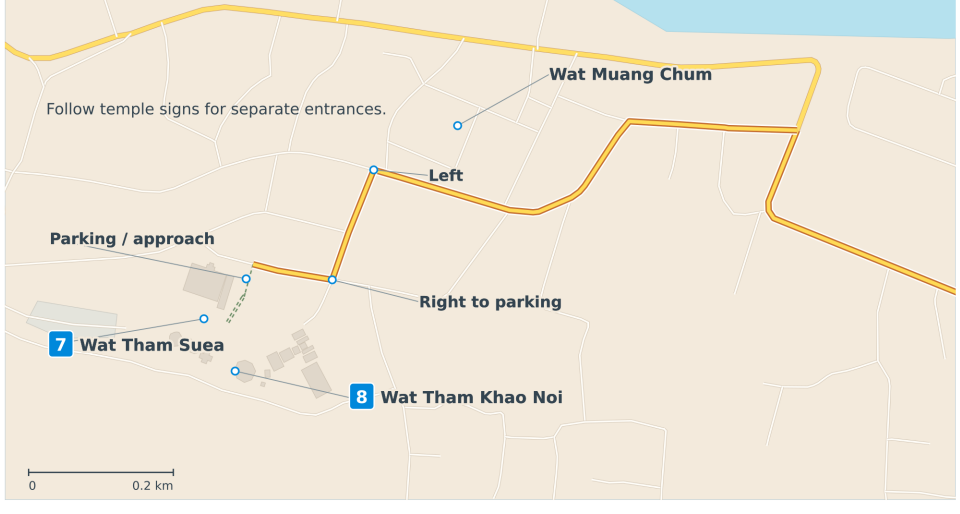

Mapped footpath / steps

This map shows the dam route, not the shortest possible approach. Use current road signs at junctions.
