### ACCESS & PLANNING

Main route: Highway 323, then the signed local approach to the park. The final access is
Please confirm the vehicle entrance locally and follow road signs.
River stays often use side roads; the highlighted west-bank road leads toward Lawa Cave and Resotel. Jungle Rafts and FloatHouse require a booked boat transfer from Phutakien Pier.
There is usually no drive-through route to these floating properties.

Walking lines show paths but are not a guarantee of an open or maintained trail.
Ask park staff about cave access, guides, camping pitches and seasonal waterfall / river conditions.
